WHY MASTERCARD

- 1

72% aged 25–44 — peak earning, spending, and card-adoption years across MENA + US markets
- 2

Bilingual reach — one brand, two languages; penetrate both Arabic-native and English-speaking diaspora audiences
- 3

GCC + Egypt dominance — our top 3 markets match Mastercard's highest-growth corridors for digital payments
- 4

Organic, engaged community — 670K+ interactions with zero paid media; authentic influence, not bought reach
