#### OWNERSHIP MATRIX

##### BUDGET ALLOCATION

Budget: Amine · Growth strategy: Mukund · Hiring: Sama

#### INCENTIVE STRATEGY BY SEGMENT

| SEGMENT         | HOOK                                     | INCENTIVE                                             | PRODUCT ANGLE                                              | CHANNEL                     |
|-----------------|------------------------------------------|-------------------------------------------------------|------------------------------------------------------------|-----------------------------|
| Window Shoppers | "Join waitlist, get paid"                | Cash for signup; share LI/IG/X → \$X                  | Waitlist virality                                          | Social, Paid LI             |
| Adopters        | "Try the tech first"                     | Founder Card + 1-yr sub + beta + community            | UI, speed, process                                         | LI Thought Leaders          |
| Retail          | "Never need SWIFT again"                 | Global Accounts first (USD/ACH); 4x salary on opening | Expats EG/TR/IN/PK; lending products come later (Wave 2–3) | Partnerships, Digital       |
| SMEs            | "Upload paperwork — eligible in seconds" | AED 300K at 5%; Mal pays your bills                   | Bank + Lender one-stop vs FAB/WIO/EFG                      | CFO Summit, Offline (Isham) |

**Competitive Stack:** FAB = large SMEs, no lending. WIO = tiny SMEs. EFG = lender not bank. **Mal = Bank + Lender. One-stop. Retail + SME.**

#### WAITLIST FUNNEL & GUARDRAILS

**KYC may not be live at waitlist launch.** Until KYC is active, the waitlist is hype-only: position what Mal WILL be. Focus on the vision (licensed bank, AI-native, Shariah-compliant). Funnel depth kicks in once product is live.

| GUARDRAIL                     | RATIONALE                                   |
|-------------------------------|---------------------------------------------|
| Clients ≠ Partners            | Closes doors (ADNOC = client)               |
| No generic claims             | Be quantitative or stay quiet               |
| Mal (global) ≠ Mal Bank (UAE) | CBUAE only cares about UAE                  |
| Only flex real experiences    | "Transferred in 2 seconds" not "we're fast" |
| 90% revenue = lending         | Banking acquires → lending generates        |
